**For Immediate Release**

### Foothill Freeway (I-210) Closures for Pavement Rehabilitation

**Glendale, La Cañada Flintridge and Pasadena** - The California Department of Transportation (Caltrans) will close portions of the Foothill Freeway (I-210) as part of a pavement rehabilitation project. Residents and local businesses located near the freeway may experience noise, vibrations and dust associated with construction activities. Noise levels will not exceed state and federal regulations. Water trucks will be used to minimize dust during working hours. The following schedule will be in effect, weather permitting, and is subject to change:

#### **Friday, May 20** **Eastbound I-210**

- 7 p.m. to 8 a.m. – Up to 3 lanes between Lowell Avenue and Mountain Street

#### **Westbound I-210**

- 8 p.m. to 9 a.m. – Up to 3 lanes between Mountain Street and Lowell Avenue

#### **Nightly, Monday, May 23 through Thursday, May 26** **Eastbound I-210**

- 7 p.m. to 6 a.m. – Up to 3 lanes between Lowell Avenue and Mountain Street
- 7 p.m. to 6 a.m. - Lowell Avenue, La Crescenta Avenue on-ramps, Ocean View Boulevard and Pennsylvania Avenue on- and off-ramps
- 7 p.m. to 6 a.m. - Eastbound I-210 connector to southbound SR-710

#### **Westbound I-210**

- 7 p.m. to 6 a.m. – Up to 3 lanes between Lowell Avenue and Lake Avenue
- 8 p.m. to 6 a.m. – Walnut Street on-ramp

The night time closures are necessary to minimize traffic delays and provide a safe work zone for construction crews and motorists while working along the I-210. Flatiron West, Inc. is the contractor on this \$148.5 million project. Construction signs and changeable message signs will be in place to alert motorists to construction activities and closures. Motorists should anticipate delays, plan ahead and use alternate routes. Caltrans appreciates your patience while we work to improve I-210. Motorists are advised to **“Be Work Zone Alert.”**
